

Centralize, Enrich, Distribute Product Data
across Channels, with

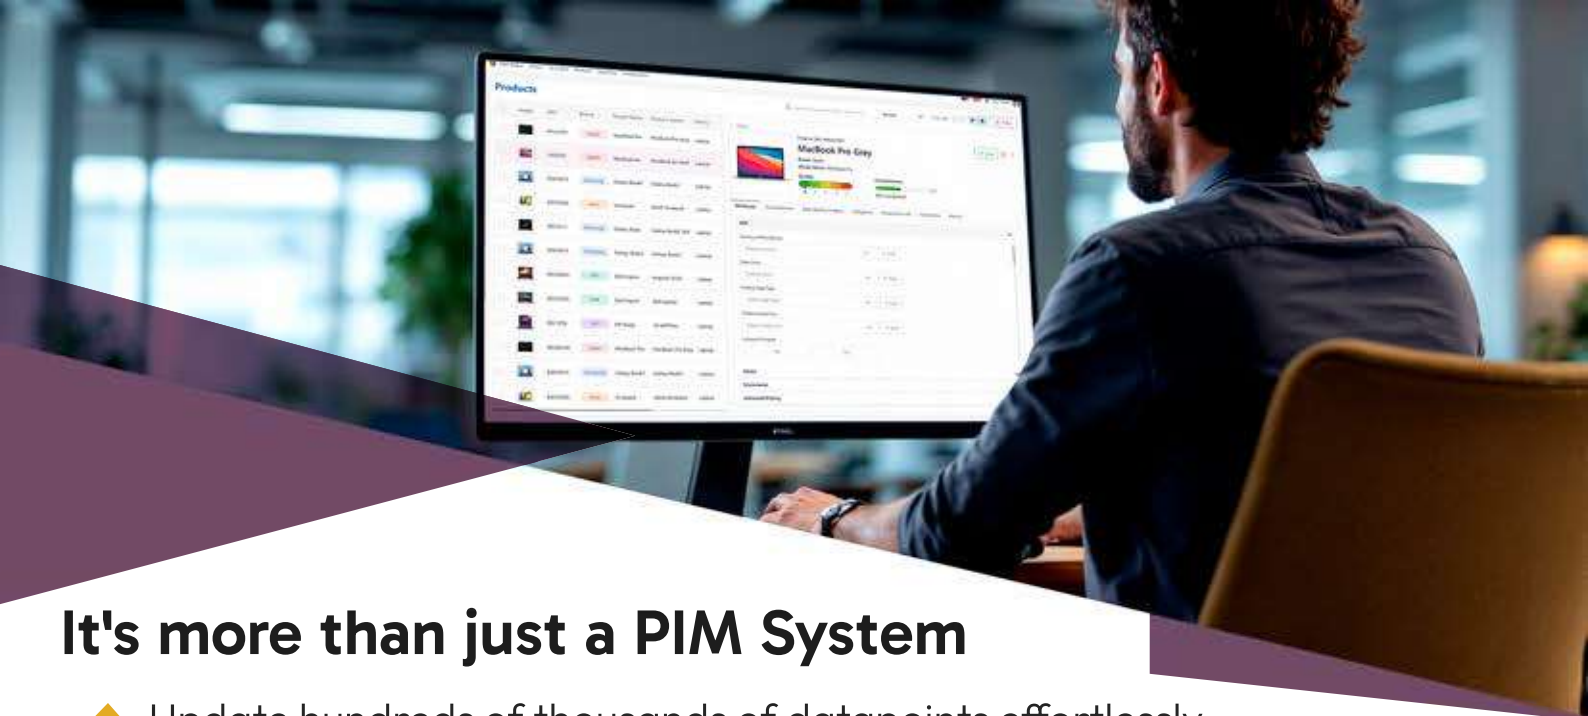

AI-Driven OdooPIM

About Navabrind IT Solutions?

Navabrind IT Solutions, specializes in delivering end-to-end digital transformation services for eCommerce and ERP users. With over a decade of expertise in Odoo implementation, customization, integration, migration, maintenance, support, and training, we empower businesses to leverage technology for maximum automation.

Our team of 100+ professionals work with global clients across diverse industries, providing tailored solutions that align technology with strategic growth.

It's more than just a PIM System

- ◆ Update hundreds of thousands of datapoints effortlessly
- ◆ No license fees
- ◆ AI-assisted data enrichment
- ◆ Auto-sync to multiple sales channels
- ◆ Easily works with all Odoo versions
- ◆ Single source of truth for all product data

OdooPIM —

Integrate with Odoo, e-commerce sites, or deploy as a standalone system

OdooPIM is more than a catalog manager that centralizes and streamlines product information management across departments; it enriches product data, standardizes workflows, and improves data accuracy within and outside the organization.

Distribute high-quality marketing data across regions, languages, audiences, brands, and product variations.

The Powerful Features of AI-Powered OdooPIM

Omnichannel publishing -

Data consistency across sales channels & marketplaces.

Smooth data collaboration -

AI tools, integrations, and custom templates for tailored data export/import

Automation -

bots to reduce repetitive tasks.

Data modeling -

By attributes, variants, and families.

Dashboards and reports -

Consolidated view to better manage the catalog
